**TINTS**

Ranger and Susan Lenart Kazmer are excited to announce the addition of four new tints to the ICE Resin® line! Transform your ICE Resin® from clear to colorful, add color and swirls with these specially formulated colorants. Just squeeze ICE Resin® Tints into mixed Resin until your desired color is achieved. For a hint of color use 1-2 drops, for more saturated color use multiple drops. All new colors available open stock- Amethyst, Emerald, Rose Quartz, and Turquoise.
