

Haunted High Tea!

Supplies:

3 Tier MDF Cupcake Stand (CLW0051)

Plaid Liquorice Multi Surface Paint (PE2934)

Plaid Glitterific Blue (PE5933)

Instructions

Begin by assembling the tall leg pieces which creates the legs.

Next add the largest layer by feeding this piece from the top and paint

Add the middle layer and again paint

TOP TIP: Leave painting the feet/legs until last as then you have somewhere to hold as you paint the other layers.

Finally add the top layer and paint.

Now to add the Glitterific & leave to dry.

Tips when using the Glitterific
This is a thick glitter paint and you will achieve greater spread if applied with a damp brush or sponge. You can dilute the Glitterific with water if you want a runnier consistency.

Please note: Decoration added is to show how the complete stand could look once set out for your Halloween Party!
